University liaison committee

Right throughout the year, the University Liaison Committee worked very closely with the Faculty of Management & Finance of the University of Colombo to ensure that the standard of the MBA programme is improved. We continued to give our suggestions to the faculty, based on the feedback we got from the MBA students and the industry regarding the Colombo University MBA programme and most of these suggestions were received positively by the faculty authorities. We also invited the Dean of the Faculty of Management & Finance to take part in our monthly Exco meetings whenever possible; this move not only ensured a strong relationship with the faculty, but also helped us to identify the support faculty needed from the association.

As a result, we worked with the Dean and the organizing team during the 'Student Enrichment Week' organized by the faculty in Mid-October 2014 for the undergraduate students; We extended our support towards this event by means of a financial sponsorship as well as by arranging two student training sessions conducted by our alumni Mahesh Jayasinghe and Waruna Jayathilaka.

Again in May 2015, based on a request made by the Dean, the ULC came forward to assist the project team of the faculty in organizing the 'Career Fair 2015' held on 22nd May 2015. The aim of this project was to find internship placements for the final year undergraduate students of the faculty and our scope was to prepare the students for the industry interviews as well as to get private and public sector companies to participate for

the event. To facilitate the student preparations for the career fair, the MBA Alumni Association organized a half a day workshop for the more than 150 students on 13th May 2015 at the FGS auditorium; The workshop was conducted by our Alumnus Mahesh Jayasinghe and during the event our Deputy President Lalith Sumanasiri and one of our Past Presidents Prasad Jayasuriya addressed the students on the industry expectations from the fresh graduates.

During the year, the Executive Committee members of our association continued to participate in the interview panels that evaluated candidates for the intake of new MBA students; We also represented the association by participating at the inauguration ceremony held for the new MBA batch.

In late May 2015, the ULC arranged a special meeting with the newly appointed Vice Chairman of the University Grants Commission – Professor P. S. M. Gunaratne, who is not only one of our alumnus but also a very close and dear friend of the association. Change for a better tomorrow

"Change" is to evolutions People are to an organization. With 18 years behind us and many more ahead of us, change is becoming that vital ingredient in transitioning individuals, teams and the entire association to a new phase of growth and maturity. With the rise in Globalization, Innovation and Information Technology, the need for change further highlights the necessity for business practices also to evolve their "ways of thinking "and " ways of working". Whilst prepping the association to adapt to the constantly evolving business environment and to meet the members' expectations, we are also delivering better value that would enrich professional networks and sharpen their competitive edge by uplifting standards on par with the global paradigm.
